The No.7 seed, T. Muster (AUT), withdrew injured. He was replaced by the highest-ranked non-seeded player, R.P.S. Krajicek (NED), who was made a seed without being numbered. Although Krajicek was shown as an unseeded player in the official programme throughout the tournament, the Committee ruled that he had been seeded throughout and this is reflected in the 'final' programme in which his name is emboldened, though without a number.
