THE WIMBLEDON HOSPITALITY EXPERIENCE

It is our great heritage and reverential atmosphere that sets The Championships apart from other tennis tournaments. Never resting on our laurels, we strive for continual improvement in our pursuit of greatness.

Our values echo throughout our hospitality experience, offering you and your guests fine dining in a refined atmosphere, exquisite food, excellent wine and an unrivalled setting to watch the world's best tennis players on the sport's most prestigious stage.

IN PURSUIT *of* GREATNESS

THE MARQUEE

Nestled in a setting that is true to our original ideal of Tennis in an English Garden, our private marquees offer an intimate environment inside the Grounds, away from the hustle and bustle of the main thoroughfares.

Accommodating 34 guests, we offer exclusive packages that include 24 Centre Court and 10 No.1 Court tickets, welcome drinks, a sumptuous three course buffet lunch, and afternoon tea. Additional facilities such as programmes and car parking are available on request.

THE TENNIS

As a guest of our marquee offering, you will have access to Centre Court and No.1 Court, the two greatest stages of The Championships.

Centre Court is one of the most unique sporting arenas in the world, a place where 15,000 people can be silenced by a simple “quiet please”. It is the court that the players most want to compete on, for the trophy they most want to win. Our marquee guests are able to come and go as they please throughout the day, and, should it rain, Centre Court’s innovative retractable roof will ensure your entertainment isn’t unduly interrupted.

No.1 Court, meanwhile, in the throes of a remarkable project to install its own retractable roof, is said by many players to be the most intimate 11,000 seat stadium there is. With a more circular bowl than that of Centre, Wimbledon’s second Show Court delivers an equally memorable experience.

FOOD & BEVERAGE

At Wimbledon, we are passionate about championing carefully selected sustainable, naturally reared and organically grown produce. Our chefs work closely with a small number of handpicked producers, ensuring that wherever possible, we offer you the finest seasonal ingredients from across the British Isles.
